

# Individual Consent

## for the Collection and Processing of Personal Data

I, as a personal data subject, by registering on the website <https://chain-bridge.org/en> and uploading personal information and/or documents to it, freely, consciously, and of my own will, hereby give my consent to "Chain Bridge" Limited Liability Company (hereinafter – the Holder) for:

- **Processing** (any operation or set of operations performed by the personal data holder (owner) or on its behalf, regardless of the methods, by automatic means or otherwise, for the purposes of collecting, recording, storing, updating, grouping, blocking, erasing, and destroying personal data);
- **Transfer of personal data** (provision of personal data by the holder (owner) to third parties in accordance with the Digital Code of the Kyrgyz Republic No. 178 dated July 31, 2025 (hereinafter – the "Digital Code") and international treaties);
- **Cross-border transfer of personal data** (transfer of personal data by the holder (owner) to processors under the jurisdiction of other states),

**of the following personal data:** surname; first name; patronymic (if any); citizenship; gender; age; date and place of birth; number of the primary identity document; information on the date of issue of said document and the issuing authority; registered address; actual residential address; driver's license data; personal identification number (taxpayer number); data on registration with extra-budgetary (pension, social) funds; phone number; email address; information on the presence or absence of a criminal record; information on income, expenses, property, and property-related obligations, as well as any other information on sources of wealth; information on open bank accounts, bank cards, electronic money wallets and/or virtual asset wallets (identifiers); information on the conduct of entrepreneurial and/or other economic activities, including, but not limited to, participation in the charter and/or share capital of a legal entity; information on employment, employer, and salary amount; information on the position held and the family composition and close associates of a public official; personal photograph and/or other audiovisual image involving me; personal signature; information on my operations (transactions) on the Platform; data from my negotiations with the Holder, including through contact with the technical service (support service).

**as well as personal data collected by the Holder automatically:** IP address; geolocation; identifier, device type, and operating system name; advertising identifier; browser information (name and version); authentication data (security codes, links, testing (such as "reCAPTCHA"), etc.); cookie data, browser data (browsing history), demographic data, interests, and consumer preferences.

I provide the above personal data to the Holder for processing for the purposes of: **i)** the performance by the Holder and/or third parties on behalf of the Holder of identity verification actions (i.e., identification and/or verification); **ii)** the Holder's decision-making regarding the establishment or refusal to establish business relations with me or the person I represent as a result of a standard or enhanced due diligence of my identity; **iii)** the exercise of rights and fulfillment of the Holder's obligations under a concluded (accepted) contract and/or a user agreement accepted by me; **iv)** the execution of banking operations; **v)** the organization of business relationship monitoring by the Holder; **vi)** ensuring information security (cybersecurity);

**vii)** ensuring the correct functioning of the Platform; **viii)** quality improvement, simplification, and/or other modification of services provided by the Holder; **ix)** the organization and conduct of promotional activities.

**I have been notified that:**

- My personal data is processed in strict accordance with the requirements of the legislation of the Kyrgyz Republic, based on the principles of legality, good faith, confidentiality, and proportionality of the processing purposes;
- This consent is granted for the period necessary to achieve the processing purposes and may be revoked by me at any time by sending a written notice to the Platform;
- In the event of revocation of consent, continued use of the Platform's services may be impossible;
- In the event of revocation of consent for the processing of personal data, the Holder is entitled to continue its processing in accordance with Part 2 of Article 83 of the Digital Code.

This consent is provided in electronic form by checking the box during registration on the website and is recognized as a simple electronic signature equivalent to a handwritten signature and has legal force equivalent to a consent executed in writing.

The date of consent is determined by the date of registration on the Platform.
